

WISE UP: WISE WORDS FROM PROVERBS

*"The fear of the Lord is the beginning of wisdom,
and the knowledge of the Holy One is understanding"* Proverbs 9:10

Bible Verse for the Week:

*"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received.
Be completely humble and gentle; be patient, bearing with one another in love.
Make every effort to keep the unity of the Spirit through the bond of peace.
There is one body and one Spirit—just as you were called—one Lord, one faith, one baptism;
One God and Father of all, who is over all and through all and in all."
Ephesians 4: 1-6*

From the Classrooms:

JK & SK - Mrs. Kaemingh

We wrapped up our Ocean unit today and have slowly been bringing our items home for you to enjoy at home. Throughout this week, we learned more of Jesus' miracles, completed a Bible quiz (Great job, KinderKids!), and covered a couple more ocean animals. Our illustrations of seahorses turned out beautifully! They are hanging on the wall outside our room for everyone to enjoy.

During our Wednesday and Friday Phys. Ed classes we are going to begin practicing for the many field day events. If possible, please have your child wear runners for his/her safety. Thank you!

Up & Coming:
Wednesday: Library Day

Grade 1 & 2 – Miss Rekman

Bible: Our memory work will remain the same Romans 8:38-39. Ask your child if they can sing the memory work song for you!

Math: We have started another unit on addition and subtraction. Both grades will have an addition quiz on Thursday, May 20.

Language Arts:
WWW

Grade 1: funny, happy, sunny, puppy, penny

Grade 2: homework, quiet, shook, shout, quick, hidden

Reading: A reminder that students should be working at home on their "Book Talk." Students should be ready to present on May 27. If you need a new paper please let me know.

Writing: Students have begun to brainstorm ideas for their own adventure story. Next week we will begin to write our story. The students have very creative

and imaginative ideas so far!

Library day is Wednesday!

Science: Our beans have sprouted! It is fun to observe how much they grow each day (even if some of them are a bit stinky). Next week we will focus on seeds.

Grade 3 & 4 – Miss de Haan

Students recently came home with their own personal word wall. **Please do not discard this folder** as each week we will focus on a different section. For this week, we will review **M-S** and the review test will be on Thursday.

Math Reviews went home for each grade yesterday. Please return them on or before Wednesday, May 21. The test will be on

Wednesday.

FYI: No new Mad Minute packages will come home this week.

Information regarding Mother's Day gifts-yes! They may be put in the dishwasher.

Monday	Tuesday	Wednesday	Thursday	Friday
Enjoy your day!	Return folder	Library books due Math reviews due	Spelling review Tests M-S	

Grade 5 & 6 – Mrs. Himanen

The days are just zipping by as the end of the school year approaches! We are working hard to finish various units and areas of study. Students in both grades have been learning how to write a speech, learning about fractions, studying electricity, working on Literature group projects, studying the parts of the Tabernacle and the clothing of the priests, playing ringette in gym class, and reading another novel in Literature. Many students have completed the penmanship program and we are a few weeks away from completing the spelling program. The last book reports are being worked on, too! Wow! CONGRATULATIONS are extended to Isaiah for completing another strip of book reading! He has now read 5 strips of books which totals to 125 books read so far this year! Spectacular!

Next Week:

Group presentations for the Literature projects will take place this week. Students must be ready to present by Wednesday

Memory Work: The Ten Commandments (due on Wednesday)

Wednesday: Science Test on work covered to date
Grammar test #1 - a sheet outlining the material on this test will be given
Memory Work due

Friday: Grammar test #2

Grade 7 & 8 – Mr. Himanen, Mr. Alblas, Miss Baxter

History: Next week the class will be learning about how the country of Canada began to grow in population. We will also look at how this growth caused some difficulties within Canada. Specifically we will look at the Red River Rebellion in Manitoba.

Geography: The class will be learning more about the different landforms that are found in the world, and that are present in Northwestern Ontario.

Science: The students will be looking at more of the invertebrate animals next week as they learn more about the amazing creatures that God has created.

Bible: The students are working through different Bible stories, and looking at how the colors of the Big Picture are found in each of the stories.

Grade 9 & 10 – Miss Baxter, Mrs. Voortman, Mr. Himanen, Mrs. Hawkins

AVI10: AVI10: Students worked towards finishing their sculptures this week.

Music – Mrs. Hawkins

Grade 1-2: We sang Children’s songs found in illustrated books and learned about quarter notes and eighth notes.

Grade 3-4: Students are continuing to work on note reading and recorder skills. We also looked at Rondo form and created rhythmic contrasting sections to go with the song “Whacky Music”.

Grade 5-6: Students played ukuleles this week and learned about rondo form.

Grade 7 Band: Students performed their playing tests this week. They also learned about tempo terms.

A special thank you goes to Mrs. Kaemingh for bringing in extra recorders and drum sticks from Twice as Nice for the music program. Used instruments and donations are always welcome!

Piano Registration for the September 2014-June 2015 school year is available for those presently taking lessons and for anyone who would like to begin taking them. The cost is \$12 for a 20 minute lesson and \$18 for a 30 minute lesson.
