From the Classrooms:

JK & SK - Mrs. Kaemingh

We had a fantastic end of the year field trip today. Thanks to Mrs. Jeanette Meijaard and Mrs. Vicky Wassenaar for volunteering to chaperone and to all the others who stopped by to see us as well. Your presence helped to make the day even more memorable!

SK students please return all Snuggle Up and Read bags and books by next week Friday so I may wrap up that program and inventory all the materials. Thank you!

Grade 1 & 2 – Miss Rekman

This week we enjoyed a Skype video call from our pen pals in Wisconsin. They are finished school on Friday and this was a "face to face" chance to see our pen pals and say goodbye!

Today was our last "Reading and Writing Day" of the year. It sure was a cozy day as we wore our PJ's and favourite jerseys. We had a chance to check out our writing from the first day of school. There were definitely a few giggles from students when they saw how much better their writing had become!

Bible: The students surprised me by already knowing The Lord's Prayer by heart, so the last memory work of the year will be Revelation 5:12 "Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and honour and glory and praise."

Math: The addition and subtraction tests were completed well by both classes! We will end the year with a review of skip counting and an introduction to multiplication and division.

WWW: There will be no more quizzes for the year. We will be reviewing the word wall for the rest of our classes.

Science: There will be a plant unit test on Thursday, June 11. We will review during the week and papers will come home on Wednesday.

Year End Field Trip: An info sheet went home last week about the year end field trip. Thanks to all those parents who have offered to join us for the day. Please be sure your child is wearing or has along a pair of socks for bowling.

Grade 3 & 4 – Miss de Haan

Thank you to those who have already sent in the money for the Class Trip. If you haven't already done so, please send it in early next week. Also, if you have not yet filled in the online waiver, please do so a.s.a.p. Thank you.

Names were drawn for the chaperones and emails were sent to those who were chosen as well as all who returned a form. Thank you to all who offered to assist!

Grade 5 & 6 – Mrs. Himanen

We had a wonderful time enjoying our end of the year class trip this week. In the morning we went to the Canada Games Complex to go swimming. After that we traveled to McDonald's to enjoy "pigging out". We then visited the Conservatory to see the beautiful trees, plants, and flowers there. We were able to spend a bit of time really looking, and the boys especially enjoyed pretending they were Ninja's; hiding amongst the foliage! In the afternoon we went to the Galaxy Lanes to bowl. It was a great time to bond and celebrate friendships and the end of the year.

Congratulations to all the students who ran the 1000m run this week! You did great!

This week the students wrote their last spelling and grammar tests of the year. Hooray! We also began listening to speeches. What an impressive job the students have done on their speeches!

Next week we will finish listening to the rest of

them.

We are winding down in several subject areas. The last tests in Bible and Science will be written next week.

We are currently reading the novel called *Summer of the Monkeys*. To celebrate at the end of the book we will be having a "monkey party"! At our party we will watch the movie and eat banana splits or ice cream with whatever toppings the students bring in. This party will be during the last week of school, so this is advanced notice for students to look for some kind of topping to bring in to share with the class (nut free, of course).

Next Week:

Memory Work: Words for the graduation songs

Tuesday: Bible test, Track and Field meet (district)

Wednesday: Track and Field meet (district)

Friday: Science test

Grade 7 & 8 – Mr. Himanen, Mr. Alblas, Miss Baxter

The grade 7/8 group is working hard on final projects for both language arts and art.

In language arts, students have now handed in their final book projects, although there are some stragglers. All book reports online must be finished by June 12. Final *Hobbit* projects and notebooks are due on June 12 also. We will be watching the film the last week of school.

In art the students are applying their knowledge from the year into a final project which I have entitled "pop perspective".

Students will have these final projects on display during the final days of school. Please feel free to come in and see them anytime.

Grade 9 & 10 – Miss Baxter, Mrs. Voortman, Mr. Himanen, Mrs. Hawkins

AVI10: Students worked hard on their final projects. Please have everything handed in no later than Thursday, June 12.

Grade 3-4: Students played their recorder tests with skill! Students also learned about sixteenth notes and played a Jamaican circle game.
