GET OUT OF THE BOAT

"Come', he said. Then Peter got down out of the boat, walked on the water and came toward Jesus." Matthew 14:29

"Ancient Words" by Robin Mark

*Holy words, long preserved for our walk, in this world;
They resound with God's own heart, oh let the ancient words impart.
Words of life, words of hope, give us strength, help us cope;
In this world, where're we roam, ancient words will guide us home.*

*Ancient words ever true, changing me and changing you.
We have come with open hearts, oh let the ancient words impart.*

*Holy words of our faith, handed down to this age;
Came to us through sacrifice, oh heed the faithful words of Christ.
Holy words, long preserved for our walk, in this world;
They resound with God's own heart, oh let the ancient words impart.*

Hoot! Hoot! Check out this super fun, social fundraising idea! I, Catherine Knight, have recently become an Independent Designer for Origami Owl. Origami Owl is very new to Canada and I am very excited to introduce this unique line of high quality, customizable jewellery to everyone I know. So, to encourage school supporters to host a jewellery party with their friends, I am adding a fundraising aspect! Until the end of June, \$3 for every charm sold from those parties will be donated to the TBCS Student Fund! You can check out Origami Owl at cath.origamiowl.ca, call/text me for more info at 621-1677 or check it out on facebook - Origami Owl Canada - Catherine Knight Independent Designer. Hostesses receive free jewellery and get exclusive discounts based on sales when they host a party. If you are interested in hosting a party, call me and I'll send a package with your child.

From the Classrooms:

JK & SK - Mrs. Kaemingh

We had a wonderful field trip together today! Thanks to Mrs. Shari Lowe, Mrs. Jenny Mol and Mrs. Charmaine Schep and all the others who popped by throughout the day to chaperone and assist in the day's activities. Also, thank you Mr. Semeschuk for driving us.

This week we learned more about life cycles, concentrating on the frog life cycle since we saw first hand the changes that occurred to the frog eggs that Eli and Mrs. Schep brought in for us. Thank you!

***Please notice the change to our schedule next week due to Field Day!! ***

Bible: We are reading the stories of the early church, and next week we will read about the conversion of Saul found in Acts 8-13. The memory work is Acts 18:19 "One night the Lord spoke to Paul in a vision: 'Do not be afraid; keep on speaking, do not be silent.'"

The days are flying by, and we have been accomplishing a lot! This week both the grade fives and the sixes wrote tests in math and spelling. The grade fives completed the introductory unit on fractions and are moving onto learning how to add and subtract fractions next week. The grade sixes had their test on adding and subtracting fractions with and without regrouping. They will move on to learning how to multiply and divide fractions.

We are very close to finishing our spelling program for the year and today wrote the second last test! We also are working hard to finish the grammar program.

Literature Circle groups continue to meet and discuss the events happening in the novel *Underground to Canada*. Great discussion is taking place and the students are learning well from the contributions of their group members.

We are looking forward to Field Day next week and have been working hard during P.E. to practise the events.

The last book reports of the year are due on Monday! One written and one oral book report are required for the month of May.

Our end-of-the-year field trip will be happening on Tuesday, June 16. We are swimming at the Canada Games Complex, eating lunch at McDonalds, going to the Conservatory, and then bowling at the Superior Bowladrome.
