

The Transportation Committee consists of at least two Board members and three Society Members, each serving three year terms on a rotation basis. A Chairman (not necessarily the Board member) and Secretary are elected from among committee members. Current T.B.C.S. Bus Drivers and their spouses should not serve on this Committee.

1. Is responsible for transportation arrangements for the T.B.C.S.
2. Hires drivers and establishes policies regarding the safety, training and driving procedures for all buses, and their use.
3. Provides for an inventory of all vehicles, keeping them properly licensed, maintained, insured, and safe.
4. Seeks the most economical purchases of all supplies related to transportation, i.e., parts, services and fuel.
5. Proposes bus routes for approval by the Board prior to publication to parents.
6. Makes recommendations regarding bus driver pay rates.
7. Submits an annual budget in February to the Treasurer.
8. Works with administration to establish behaviour guidelines and to exercise proper discipline for students using bus transportation.
9. Acts upon matters specifically referred to it by the Board.
10. Each committee member will ride their assigned bus route once a year before the end of October.
11. Bus route boundaries will be set by Transportation Committee from time to time and communicated to the membership.
