

STATEMENT OF SUPPORT

Purpose

It is the purpose of Thunder Bay Christian School to provide a sound academic education integrated with a Christian view of God and the world. While the school remains basically interdenominational, the instructional program is specifically based on the infallible Word of God and the doctrinal standards of the Reformed faith.

Philosophy

The educational program and the methods of instruction in Thunder Bay Christian School are dependent on a Biblical philosophy to provide the viewpoint, general background truth, and principles of interpreting the facts encountered in the study of our subject. We understand that the concepts of a Christian educational philosophy are these:

1. God is the Creator and Sustainer of all things, and the source of all truth.
2. God has revealed Himself in a general way in His world and universe and in a specific way in the Bible.
3. The home, the church, and the school should complement each other, promoting the student's spiritual, academic, social and physical growth.
4. The teacher stands in the place of the parent.
5. God has given differing abilities to each student. It is the teacher's responsibility to challenge each child according to his ability and to seek to teach him at his academic level.
6. The Christian is not to be conformed to the world but must recognize his responsibility and his role in life in our democratic society.
7. The student's home, church, and school experience and training should be a preparation for life; a life of fellowship with God and service to man.

Consent

1. We have read the above and understand purpose and philosophy of Thunder Bay Christian School, and we desire such a Christian educational program for our children.
2. In making application for my child(ren) to attend Thunder Bay Christian School, I agree to support the school in:
 - a. Its maintenance of high moral and spiritual standards.
 - b. Its rules and regulations as established.
 - c. Its school programs and projects.
 - d. The kind and measure of discipline taken to insure good order and a proper learning environment.
