## Bus Discipline

Date: \_\_\_\_\_

\_\_\_\_\_ was involved in an incident on the bus today.

- \_\_\_\_\_ Excessive physical contact with other students ( i.e. poking, hitting, punching)
- \_\_\_\_\_ Standing while the bus is in motion
- \_\_\_\_\_ Littering; either inside or outside the bus
- \_\_\_\_\_ Rudeness and/or disobedience towards the bus driver
- \_\_\_\_\_ Teasing and/or bullying other students
- \_\_\_\_\_ Causing damage to the bus (vandalism)
- \_\_\_\_\_ Excessive noise

It is very important that the bus driver be able to give their full attention to the road ahead of them, rather than on what is going on behind them on the bus. Please remind your child that the safety of everyone on the bus depends on each one of them. It must be remembered that riding the bus is a privilege, and that this privilege may be removed if the safety of the students is jeopardized by any student(s). Thank you for your cooperation in this matter. Please sign the sheet in the space provided, and return to the office for the next day of school.
